

Simon "El Diablo Naranja" Parks

February 5, 2026

Simon "El Diablo Naranja" Parks was a 17 year and 5 month old Orange Tabby. His favorite toy was The Red man. Simon's favorite treat was Catnip. Simon loved to climb up and down my back to make biscuits. My favorite memory of Simon was when he scaled my Christmas tree all the way to the top and peered out at me. Simon is sincerely missed by his cat brother and sisters, and his devoted and loving human family.

Rest in Peace Simon
