

Sir Boxxer Cooper

December 4, 2024

Sir Boxxer, 21 years of nothing but love and happiness. He was a Shawawa/Boxxer mix. Sir Boxxer's favorite toy was a snowman that repeats. His favorite thing to do was lay around and stay under foot, watch tv, go for a walk, take baths, but most of all he loved to chase people out of the house, as well as in. My favorite memory is the way he could always tell that I wasn't feeling well, and come lay with me wanting to kiss. He was truly the best dog I've ever had, and I love him so much, as well as the man that gave him to me on my 50th birthday. Love and lots of blessings to them both.

Rest In Peace Sir Boxxer
