

Sonny Young

November 12, 2025

Sonny was a 15 and a half year old Chorkie, her favorite toy was her ball and favorite treat was Sugar Smacks. Two of Sonny's favorite things to do were play ball and cuddle. A favorite memory of Sonny was playing in the snow together or opening christmas presents. She knew what gifts were hers (sometimes she'd sneak and get one of hers early), she loved christmas and family.

Rest In Peace Sonny
