

Tater Tot Danner

March 17, 2025

Tater Tot was a 12 year 10 month old Cavalier King Charles Spaniel and was a Tricolor. Tater Tot's favorite toy was Ronnie & Nancy Monkey Squeaky Animals and his favorite treat was Bone Marrow Dog Treat & Cheese. His favorite thing to do was chase laser light, snuggle with mom and dad, and get belly rubs. A favorite memory was bringing Tater Tot home and every day he brought complete joy to our life. Tater Tot was my work companion. I work from home and he went to my office with me everyday and even participated on team and management zoom calls with me. My coworkers and colleagues loved Tater Tot.

Rest In Peace Tater Tot
