

Tiny Runyon

January 28, 2025

Tiny was a 13 year old Chihuahua. She didn't like toys but loved clothes. Tiny's favorite treat was dog bacon and pup cups from Starbucks. She loved to put clothes on, she loved going places, she loved being anywhere I was. My favorite memory is when she would wince when I told her to smile for me and then she would smile so big! Or when I would come home from work and she would be waiting for me to come through the door.

Rest In Peace Tiny
