

Toby Fisher

August 20, 2025

He found a home with us on May 2020. He came as a rescue / foster for a few weeks and then went to Maryland. I lost sleep for weeks over this boy. I called to see if he had been adopted - and if not, asked, if I could come bring him home. Needless to say - his home was with us all along. I've had dogs my whole

life - and it's safe to say - Toby was the best I've ever had.

His sweet face and spirit are missed everyday.

Rest In Peace Toby
