

Tony Devaney

March 11, 2026

Tony was a one year old orange and white tabby. His favorite treat was wet food. Tony's favorite thing to do was Eat! He also loved to lay around. My sweet Tony had the bluest eyes and was so kind to his fellow cats. He would curl up with small kittens and keep the warm. I loved him and I miss seeing him everyday. He was a special cat.

Rest In Peace Tony
