

Trappy Perry

May 22, 2026

Trappy Perry- McNerney was a 4 year old Chihuahua (Deer head). His favorite toy: the big squeaky ball. Trappy's favorite treat: Bacon strips and anything Mom, Dad or bubby is eating. His favorite thing to do: Chasing chickens and laying out in the sun. Our favorite memory: trying to be mighty dog and attempting to clear the jump (3x his length) between mommy and Daddy's bed and Bubby's in a hotel room on a weekend vacation. He didn't clear it but his real super power was how much he loved his family. Other favorite was him peeing on Dads shoes every time he greeted him when he came to stay the weekend off work out of excitement.

Rest In Peace Trappy
