

Willow Hammond

August 14, 2024

Willow was a four year old (2/2/2020) Siberian Huskey. Her favorite toy was anything that squeaked. Willow's favorite treat was chicken jerkey. Her favorite thing to do was walk, and play with big brother Bailey and cousin Preacher. Our favorite memory of Willow was when she brought me a pet opossum and was so proud of her catch, and when we first brought her home her human baby brother sucked a binky. He would be walking by and she would run up and steal his binky.

Rest in Peace Willow
