Winifred "Winnie" Harrison

January 19, 2019 – November 9, 2025

Age: 6 Breed: Miniature Goldendoodle

Winnie led a life of adventure and spontaneity. She loved to spend time with people, especially her parents and grandparents. She was always happy to tag along with every task, even if it was just a trip to Lowes or a drive around town. Winnie made the most out of every situation by greeting every person we would run into with the enthusiasm of a long lost friend, even if this was the first time we met them. We loved seeing her make people feel special and loved. Her love of life crossed over to animals too. She made many dog pals in obedience training and became best friends with her cousin, Olive. Winnie was content to play by herself with a squeaker toy or her giant hotdog stuffie, but she loved wrestling with her dad. Many times, their play time turned into zoomies. When she was tired or wanted to relax, she would go to her mom, and they would spend time together in their recliner. Winnie was told she was loved and was given so many kisses and pets every day of her life. There are too many wonderful memories of where Winnie made our lives better in her too short life. How privileged we were to get to be your parents. We will be forever grateful that we got to love you for the time we had you and we will

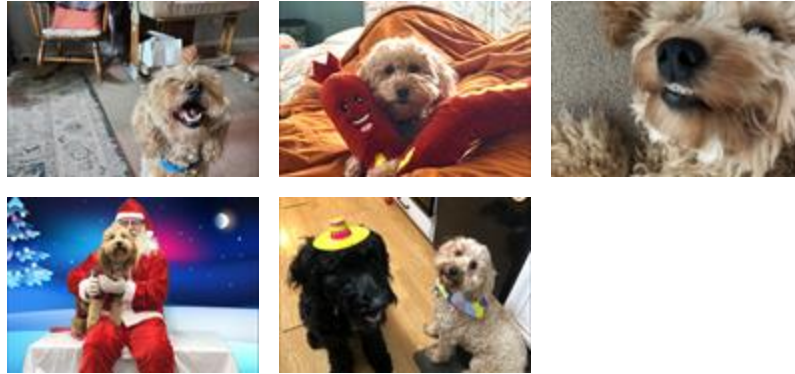

spend the rest of our lives missing you, Winnie, until we meet again. 

Rest In Peace Winifred "Winnie"
