

Xander Smithers

July 7, 2025

Xander was a 9 year old Pit/Boxer mix. His favorite toy was a 3 knotted rope, and favorite treats were Beggin Strips & Peanut Butter Filled Bones. Some of Xanders favorite things to do were go on car rides, going for walks and sitting on the porch with Mom & Dad. A favorite memory of Xander was when we went to Old Mans Cave hiking and he was apparently done so he just laid down in the middle of the trail and refused to get up until we said "Ok lets go to the car and head home." Then he jumped up like "It's about time you two, LETS ROLL!"

Rest In Peace Xander
